

TABLET TRADE-IN EXTENDED!

PROMOTION EXTENDED

01/31/17

Save Up To \$2,500 On A Trimble Kenai When You Trade In Your Old Tablet!

Your field computer is the all-important link between your data and your project. To celebrate the new year, BuildingPoint is offering a limited time trade in deal for Yuma2 users on the Trimble Kenai! With this program, upgrading to the Trimble Kenai ruggedized tablet has never been easier.

Boasting an expansive daylight readable capacitive touch screen, combined with powerful 64-bit processing that tackles even the most complex designs and field files, the Trimble Kenai represents everything you need in a field computer. In addition, the fully featured Microsoft Windows 10 platform affords a completely seamless integration with existing field and office software applications, further enhancing flexibility in the field.

For qualifying clients, you can trade in your Trimble Yuma2 and receive up to \$2500 in trade-in credit towards the purchase of a new Trimble Kenai! To take advantage of this limited time opportunity, contact your local BuildingPoint representative today, or simply give us a call at 813-280-0655 for more information.

©2018 BuildingPoint Florida. All rights reserved. This offer is available exclusively to Florida-based contractors. Qualifying trade-in units include, and are limited to Trimble Yuma2 and Trimble Tablet users. Trade-in credit is applicable to Trimble Kenai configurations including both cirronet and non-radio variations. To qualify, clients must take delivery prior to March 2nd, 2018. Trade-in tablets must be returned at the time of delivery to receive the trade-in credit. BuildingPoint reserves the right to rescind or remove this offer at any time.
